On Monday, May 31, 2021, at approximately 5:20 p.m., the San Juan County 911 emergency center was notified of a two-vehicle high speed crash on Beaverton Valley Road. Two people were involved and treated by emergency services. The road remained closed while law enforcement crash reconstruction investigated the crash scene.

We appreciate the help of the citizens who were nearby and helped provide assistance in calling 911, helping control traffic until emergency vehicles arrived, and until all units cleared the scene.

Thank you for everyone's patience as we provided aid and work to safely secure the accident scene. The roadway will be opened as soon as it is safe to do so.
